

DESIGNING OPTIONS | FURNISHING ANSWERS

For over thirty years, Arcadia has responded to customer needs through innovative product design, quality manufacturing and excellent value. By maintaining this service-oriented perspective, Arcadia has remained responsive to ever-changing requirements and continues to successfully provide value as solutions.

With four to six week standard lead-times and a proven track record of expediting orders to meet project requirements, Arcadia is committed to delivering satisfaction at every turn. And now, that satisfaction can be experienced even sooner with the Quick-Ship Program.

Designed to provide a full range of products within a condensed time frame, the Quick-Ship Program features a select variety of Arcadia products that are available to ship within ten (10) or fifteen (15) business days\*. And, to simplify the ordering of products and fabrics at one time, specify from among a host of versatile Quick-Ship fabric options, Arcadia's signature L-1-3 Black leather or Luxor II CD-30 Ebony faux leather (refer to the Quick-Ship fabric card to make your selection).

Should aesthetic requirements or preferences prevail, Customer's Own Material (COM) is also proudly accepted to further expand the flexibility of choice.

The Quick-Ship Program offers options beyond upholstery and into finishes as well. All seating and table products are available in up to eleven (11) standard Arcadia wood finishes or in several powdercoat finish selections, as applicable. And, in keeping with Arcadia's commitment to quality and value, all Quick-Ship products carry a ten year warranty.

For additional product information, complete terms and conditions, warranty information and List Prices, please refer to Arcadia's Master Price List or contact Arcadia's Customer Service Department at (800) 585-5957.

\*10-day and 15-day manufacturing program begins upon receipt of purchase order. No minimum quantities are required, however, please observe maximums where noted. Quick-Ship Purchase Orders must be placed separately from standard lead-time Purchase Orders and no split Purchase Orders allowed.
